## 2015 SAUVIGNON BLANC CALIFORNIA

### Vineyard Sourcing:

The high elevation of our Mason Vineyard in Lake County's Kelsey Bench and arc of rich, red volcanic soils, provides a unique growing region for ripe Sauvignon Blanc flavor and body year after year.

### Winemaking Process:

100% Sauvignon Blanc. Our various blocks are harvested at optimal ripeness and then separately fermented in stainless steel tanks at cold temperatures to retain varietal character and bright, clean fruit flavors.

### Tasting Notes:

Aromas of fragrant orange blossom, ruby grapefruit, and white peach flavors set on a light body with pops of lime zest and passion fruit.

pH- 3.45
