

# *pink* Pomelo

## 2015 ROSÉ of GRENACHE CALIFORNIA

Total Production – 1796 cases

### Vineyard Sourcing:

On the southern end of the Sierras, the gentle and warm slopes of Linden Hill develop ripe and abundant fruit flavors ideal for Grenache and Syrah grapes used to blend our Rosé.

### Winemaking Process:

80% Grenache, 20% Syrah. Co-harvested, whole cluster pressed and ultimately co-fermented in 100% Stainless Steel. Our traditional cold, lengthy fermentation takes 40+ days and accentuates the juicy fruit flavors. Partial lees aging builds texture.

### Tasting Notes:

Luscious and refreshing, a bounty of summer strawberry and crisp cranberry flavors give our Rosé a lively structure, keeping the palate energized.

pH- 3.41  
T.A- 6.4 g/L  
ABV- 13.1%
